Power Technique Emotion Athletics Camp & Private Coaching Waiver

In consideration of being allowed to participate in this camp and/or to be privately coached in physical fitness events and the sport of track and field, I agree to the below waiver. I understand participating in athletics can be an extremely valuable experience for young people.

I know of, and acknowledge the risks involved in athletic participation, including track and field and the throwing events of shot put, discus and javelin. I understand that serious injury, permanent disability or even death, is possible in such participation and choose to accept any and all risks; both known and unknown.

I also accept responsibility for my or my child's safety and welfare while participating in athletics. With full understanding of the risks involved, I fully release and hold harmless the coaches and facility owner from responsibility and liability for any injury or claim resulting from such athletic participation to the fullest extent of the law and agree to take no legal action against the coaches or facility owner because of any accident or mishap involving my or my child's athletic participation.

I authorize emergency medical treatment for myself or my child should the need arise for such treatment while under the supervision of the coaches. I grant the released parties the right to photograph and/or videotape my or my child's participation and further to use said photographs or video in connection with coaching, exhibitions, publicity, advertising, promotional and commercial materials without reservation or limitation. The released parties, however, are under no obligation to exercise said rights herein.
